

Wisconsin Department of Natural Resources
SWIMS Project Summary

General Project Information

Project ID: RP-145-08

Name: NORTHWOODS LAND TRUST, INC.: Oneida County River Conservation Project

Type: River Grant

Subtype: River Planning Grant

Status: COMPLETE

Start Date: 7/1/2007

End Date: 12/31/2009

Purpose: The Northwoods Land Trust will conduct a direct-mail education campaign to all property owners on priority river and stream segments in Oneida County that were identified by the DNR Northern Rivers Initiative. An information packet will be provided highlighting voluntary conservation options property owners can utilize to protect the priority river and stream corridors. These options include Land Protection Agreement (Conservation Easement), Land Donation, Land Registry and Conservation Buyer programs.

Specific activities include:

- * Identify all property owners with natural shoreland frontage along all of the priority river and stream segments in Oneida County.
- * Assemble and mail information packets on conservation options to all identified property owners.
- * Follow-up contacts with interested landowners to provide legal and technical assistance for conservation options.

Specific products or deliverables include:

- * Maps showing parcels with existing natural shoreline.
- * Generalized list of landowner follow-up contacts.

It is anticipated this project will result in one or more landowner commitment to donate a conservation easement to permanently protect their river or stream shoreline but this result can not be guaranteed.
