

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-158-09

Name: FRIENDS OF THE ST CROIX HEADWATERS, INC.: Building the Outreach Capacity of FOTSCH

Type: River Grant

Subtype: River Planning Grant

Status: COMPLETE

Start Date: 7/1/2008

End Date: 12/31/2009

Purpose: Friends of the St. Croix Headwaters (FOTSCH) is initiating a project to expand community outreach, learn from and grow the first St. Croix Riverfest, and conduct an organizational assessment. Grant funds will be used to pay a staff person (i.e. Executive Director) who will be a liaison to community groups and local government, evaluate St. Croix Riverfest, and build sustainable tourism partnerships in the watershed.

Project deliverables include: 1) a final report on the project, including St. Croix Riverfest evaluation results and recommendations, organizational assessment overview, and community outreach summary and 2) educational/publicity materials developed.

This scope is intended to summarize the detailed project scope provided in the application and does not supersede those application tasks/deliverables. Data, records, reports, and education materials, including GIS-based maps and digital images, must be submitted to the Department in a format specified by the regional lake coordinator. Grantee or consultant will provide DNR lake coordinator with a draft for comment on report adequacy. DNR shall receive both paper and electronic copies of the deliverables along with, or prior to submission of grantee's final payment request.
