General Project Information

Name:	CRESCENT LAKE DISTRICT: Crescent Lake Preservation and Protection Initiative

 Type:
 Aquatic Invasives Grant

ACEI26221

Subtype: Aquatic Invasives Control

- Status: COMPLETE
- Start Date: 3/15/2021
- End Date: 12/31/2022

Purpose: Project Scope and Description of Deliverables

CLA is sponsoring a project to implement approved Eurasian watermilfoil (EWM) control activities from their aquatic plant management plan.

Project activities include:

- 1) ÉWM control with herbicide treatment and DASH/hand pulling;
- 2) Pretreatment confirmation/refinement and late season bed mapping surveys (for EWM);
- 3) Aquatic plant point-intercept and EWM bed mapping surveys;
- 4) Herbicide concentration monitoring and analysis;

5) Annual and final AIS strategy assessment reports summarizing EWM management and monitoring during project and future EWM management direction.

6) Conduct Clean Boats, Clean Waters (CBCW) watercraft inspections.

Project deliverables include:

- 1) EWM control and associated herbicide treatment and DASH/handpulling reporting;
- 2) Data from EWM and aquatic plant surveys;
- 3) Herbicide concentration results in SWIMS;
- 4) Annual and final AIS monitoring and control strategy reports.
- 5) CBCW data entered into DNR SWIMS database.

Specific project conditions:

This scope summarizes the project detail provided in the application and does not negate tasks/deliverables described therein. All data and reports, including GIS-based maps, and digital images, must be submitted to the Department.

DNR is to receive copies of the final report along with, or prior to submission of grantee's final payment request. It is recommended that Grantee provide DNR Lake Coordinator with a draft of the final report for comment on report adequacy prior to making final payment to the consultant.

It is strongly recommended that an annual management strategy meeting be held each winter with DNR to discuss EWM management for the next year before aquatic plant management permit applications are submitted.
