

Wisconsin Department of Natural Resources
SWIMS Project Summary

General Project Information

Project ID: ACEI-064-09

Name: ENTERPRISE LAKE PROTECTION & REHAB DISTRICT: Enterprise Lake AIS Control & Prevention Project

Type: Aquatic Invasives Grant

Subtype: Aquatic Invasives Control

Status: COMPLETE

Start Date: 4/1/2009

End Date: 12/31/2014

Purpose: Enterprise Lake P&R District is sponsoring an AIS ACEI grant on Enterprise Lake, in Langlade County. This project was submitted as a five year project that will focus on EWM and Purple Loosestrife (PL) management, and AIS education, prevention and monitoring. The goal is to reduce the treatable EWM to less than 10 acres and have the frequency of EWM being observed at less than 10% of littoral point-intercept locations within a whole-lake survey. This will allow the District to continue management of AIS with minimal state financial assistance. Note: this project was not funded in whole and may need to apply for future grants to achieve the goals, activities, and deliverables listed within this scope.

Project activities: 1)Annual chemical treatments of EWM; 2)Annual pre/post treatment monitoring and analysis; 3)Project kick-off meeting and AIS training; 4)PL monitoring and control; 5)Annual volunteer AIS monitoring and hand removal; 6)Purchase GPS unit and LDO probe; 7)Water quality sampling (P, DO and temp); 8)Recruit volunteers and implement a CB/CW program; 9)Entry of inspection forms 3200-120 and monitoring forms onto Dept website; 10)Point-intercept (PI) aquatic plant survey and community mapping; 11)Develop annual and final project reports.

Project deliverables: 1)Chemical control of PL and EWM; 2)Pre/post treatment and PI survey data; 3)Hand removal of PL and EWM, including annual mapping of these areas; 4)Completed entry of inspection 3200-120 and monitoring forms onto Dept website; 5)GPS unit and LDO probe; 6)Annual reports and final report summarizing AIS management during project and future AIS management suggestions, CB/CW activities, AIS monitoring and AIS educational activities.

Specific Conditions: Annual and final reports need Dept review/approval

WDNR Lakes Management Coordinator will be provided with an electronic (pdf or word) and hard copy of final report, all annual reports, maps, and survey data (includes: pre/post treatment and PI).

Objective:

Comments: Grantee is ENTERPRISE LAKE PROTECTION & REHAB DISTRICT
