### General Project Information

**Project ID:** RP-188-10

**Name:** WOODLAND DUNES NATURE CENTER: Woodland Dunes "Explore and Restore" Project

**Type:** River Grant

**Subtype:** River Planning Grant

**Status:** COMPLETE

**Start Date:** 7/1/2009

**End Date:** 12/31/2011

**Purpose:** The Woodland Dunes Nature Center and Preserve, Inc. proposes to supplement and build on previous work by partners to raise public awareness and participation in water stewardship. Specifically, Woodland Dunes will develop \201CExplore and Restore\201D signs and place them at city parks along four rivers, host litter clean-up events, and provide information and education about the rivers and water quality to citizens through fliers, newsletters, websites, and direct mailings. The overall project goals are to enhance the Maritime Museum and Woodland Dunes watershed stewardship groups existing within the project area by building their capacity to reach and engage local citizens and officials, provide individual citizens and officials with opportunities to participate in protecting and restoring the rivers, and raise citizens\2019 and officials\2019 awareness and understanding of the threats to rivers in the project area. The project elements and deliverables will be completed as described in the project proposal submitted to the Department and dated May 1, 2009.
