

Project ID:	LPT74122
Name:	BALSAM LAKE P & R DISTRICT: 319 LMI - Balsam Lake East Basin Alum Treatment 2
Type:	Lakes Grant
Subtype:	Lake Protection Grant
Status:	COMPLETE
Start Date:	3/15/2022
End Date:	12/31/2023
Purpose:	<p>The Balsam Lake P&R District is sponsoring an alum treatment project for Balsam Lake to reduce phosphorus loading from in-lake sediments in East Balsam, thereby reducing algal blooms and allowing for restoration of the lake's native plant community.</p> <p>The project deliverables include a final report documenting the alum treatment.</p> <p>Specific project conditions: With each reimbursement request, the grantee must provide: 1) Complete Form 9300-230, titled Grant Partner Financial Data Report. 2) A list of practices to reduce internal nutrient loading implemented during the period for which you are seeking reimbursement. For each practice, include a quantity or amount with applicable units, the date of implementation and practice cost. 3) A 1-2 paragraph narrative description of project status, including project milestones, accomplishments, and any challenges encountered that affect the project timeline or cost.</p> <p>Draft of final report needs Department review and approval. WDNR Lake Biologist will be provided with an electronic (pdf or word) copy of final report, shoreland data, photos, all maps and other products from the project, and all GIS data.</p> <p>If consultant is to provide final report, it is recommended that Grantee provide DNR Lake Coordinator with a draft for comment on report adequacy prior to making final payment to the consultant. DNR to receive both paper and electronic .pdf copies of the final report along with, or prior to submission of grantee's final payment request.</p> <p>This scope summarizes the project detail provided in the application and does not negate tasks/deliverables described therein. Data, records, and reports, including GIS-based maps, and digital images, must be submitted to the Department in a format specified by the regional Lake Coordinator.</p>
