

Wisconsin Department of Natural Resources
SWIMS Project Summary

General Project Information

Project ID: ProjectRed-20090815

Name: Project RED Training Session

Type: Project Riverine Early Detectors (RED)

Subtype: Training Sessions and Workshops

Status: COMPLETE

Start Date: 8/15/2009

End Date: 8/15/2009

Purpose: A Project RED (riverine early detectors) training will be held in the Firefly room at the Wauwatosa Library from 9am to 1pm on Saturday August 15. Project RED volunteers will be taught to identify 15 invasive species that threaten the health of Wisconsin's rivers and streams. Volunteers will also learn how to verify their findings and how to use a GPS unit and online database to map and report them. Volunteers are asked to use these skills to monitor a river of their choice twice a summer at their convenience for invasives. Registration is required for the free training. Contact Laura MacFarland for more information at lmacfarland@wisconsinrivers.org or 608-257-2424x110.

Objective:

Comments: Training took place in Wauwatosa. 43.06111, -88.00785
