

Wisconsin Department of Natural Resources
SWIMS Project Summary

General Project Information

Project ID: SSA Plan ChipFalls EauClaire

Name: Chippewa Falls Eau Claire SSA Plan (2007- 2025)

Type: Water Quality Planning

Subtype: Sewer Service Area Plans

Status: COMPLETE

Start Date: 5/1/2006

End Date: 12/31/2011

Purpose: The Chippewa Falls-Eau Claire urban area is located in west-central Wisconsin and encompasses parts of both Chippewa and Eau Claire Counties. The City of Eau Claire is the central city of the Chippewa Falls-Eau Claire Metropolitan Statistical Area which includes all of Chippewa and Eau Claire Counties. The West Central Wisconsin Regional Planning Commission utilized the existing Chippewa-Eau Claire Metropolitan Planning Organization (MPO) Policy Council to oversee the preparation of the plan update. The 16-member MPO Policy Council oversees a continuing, cooperative, and comprehensive urban transportation planning process that results in plans and programs consistent with the comprehensively planned development of the Eau Claire Urbanized Area, and thereby satisfies the conditions necessary for the receipt of federal transportation funds. In addition, the MPO also assists the Wisconsin Department of Natural Resources in the development of the municipal point source element of the State's Areawide Water Quality Management Plan and acts in an advisory role to the Department in matters concerning the implementation of the plan. The Policy Council includes representatives from ten towns, three cities, two counties, and one village.

Objective: Based on criteria, the Plan Policy Council selected as the study or planning area for the sewer service area plan update the area encompassing parts or all of the following municipalities: Chippewa County, City of Chippewa Falls, City of Eau Claire, Village of Lake Hallie, Town of Anson, Town of Eagle Point, Town of Hallie, Town of Lafayette, Town of Tilden, Town of Wheaton, Eau Claire County, City of Altoona, City of Eau Claire, Town of Brunswick, Town of Pleasant Valley, Town of Seymour, Town of Union, Town of Washington.

3/18/2011	Lisa Helmuth	Application Received	From: Chris Straight [mailto:chris@wcwrpc.org] Sent: Saturday, March 19, 2011 08:30 AM To: Helmuth, Lisa D - DNR Subject: Re: Directions for uploading documents The document is uploaded I believe that I may have been using an incorrect format on the date which was causing an error. Just a quick note... The MPO Technical Advisory Committee meets on the April 6th. If the cooperative review is complete by then, I can take it to this group prior to the full MPO on May 4th. This would likely be the most appropriate approach.- Chris

Actions

Action	Detailed Description	Start Date	End Date	Status
Sewer Service Area Planning	This plan has been financed through a Section 205 (j) Federal Areawide Water Quality planning grant from the U.S. Environmental Protection Agency, passed through the Wisconsin Department of Natural Resources. A grant agreement was entered into by the West Central Wisconsin Regional Planning Commission and the Wisconsin Department of Natural Resources for the purpose of developing the Chippewa Fall/Eau Claire Area municipal point source element of the State's Areawide Water Quality Management Plan.	1/1/2011	12/31/2011	COMPLETE
