

# Wisconsin Department of Natural Resources SWIMS Project Summary

## General Project Information

**Project ID:** CLMN-20090530-Mercer

**Name:** Citizen Lake Monitoring Training - Mercer Community Building - 05/30/2009

**Type:** Citizen Lake Monitoring

**Subtype:** Training Sessions and Workshops

**Status:** COMPLETE

**Start Date:** 5/30/2009

**End Date:** 5/31/2009

**Purpose:** This workshop will combine the Clean Boats, Clean Waters (CBCW) volunteer watercraft inspection program and the Citizen Lake Monitoring Network (CLMN) Aquatic Invasive Species (AIS) monitoring workshops. This workshop will run from 9:00 am – 1:00 pm and the location will be at the Mercer Community Center, Mercer. To register for this workshop, or for more information, contact Heather Palmquist, AIS Coordinator for Iron County at (715) 561-2234. Email [lakes@ironcountywi.org](mailto:lakes@ironcountywi.org). The CBCW program provides an opportunity to learn how and why educational awareness is so important in preventing the spread of aquatic invasive species (AIS). This workshop will provide you with an overview of AIS, instructions on how to organize an effective volunteer watercraft inspection program, and hands-on training for watercraft inspections and AIS identification. For more information on the CBCW program, visit: <http://www.uwsp.edu/cnr/uwexlakes/cbcw>. The CLMN AIS monitoring workshop speakers provide details on aquatic invasive species identification and life cycles; instructions on how to organize an effective monitoring team; where and when to look for the invasives; as well as what to do if you suspect that you have found an invasive plant or animal. Most workshops will offer hands-on training for invasive species identification. Workshop hosts will offer participants a monitoring kit at no charge (one free kit per lake). Additional kits and supplies helpful in assisting you in collection and identification of the plants and animals may be offered "for sale" at the workshops. These materials are optional, but many volunteers found them useful. For more information on the CLMN program, visit: <http://www.uwsp.edu/cnr/uwexlakes/clmn>.

**Objective:**

**Comments:** Training session took place at the Mercer Community Building in Mercer WI

**Outcome:**

**Study Design:**

**QA Measures:**
