

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: SPL-291-12

Name: LAKE RIPLEY MANAGEMENT DISTRICT: Lake Ripley Survey of Nearshore Fish Populations

Type: Lakes Grant

Subtype: Small Scale Lake Planning

Status: COMPLETE

Start Date: 4/1/2012

End Date: 12/31/2012

Purpose: Lake Ripley Management District will survey the sensitive near-shore populations of fishes that are indicator species of lake water quality and health habitat. This information will update the lake's comprehensive management plan and identify areas that should be protected, as well as inform the lake harvesting operation plan. The data will also be compared with previous surveys from the 1970's and from 2004 to assess changes in these sensitive species. In addition to the final report, a presentation will be given at a local lake forum.

Objective:

Comments: Grantee is LAKE RIPLEY MANAGEMENT DISTRICT
