

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: CBCW-Training-20120414

Name: Clean Boats, Clean Waters at UW-Extension Spooner Agricultural Research Station 4/14/2012

Type: Watercraft Inspections

Subtype: Training Sessions and Workshops

Status: FINAL_RPT

Start Date: 4/14/2012

End Date: 4/14/2012

Purpose: Through the CBCW program, volunteers are trained to conduct boater education interviews at local boat launches. Volunteers show boaters how and where aquatic invasive species (AIS) are most likely to hitch a ride on their watercraft and be transferred to other water bodies. Volunteers perform boat/trailer checks for AIS, distribute informational brochures, and collect and report any new AIS infestations. All ages are welcome to participate. To register, please contact Lisa Burns at Lburns@co.washburn.wi.us or 715-468-4654. For more information on the CBCW program, visit <http://www4.uwsp.edu/cnr/uwexlakes/cbcw/>.
