

## Wisconsin Department of Natural Resources SWIMS Project Summary

### General Project Information

**Project ID:** RP-241-13

**Name:** WOODLAND DUNES NATURE CENTER: Explore & Restore E. & W. Twin Rivers

**Type:** River Grant

**Subtype:** River Planning Grant

**Status:** COMPLETE

**Start Date:** 7/1/2012

**End Date:** 12/31/2014

**Purpose:** Woodland Dunes Nature Center shall supplement and build on previous work by partners to raise public awareness and participation in water stewardship in the East and West Twin Rivers. Specifically, Woodland Dunes will offer educational programs and action projects including WAV trainings, storm drain marking, river and beach clean-up events, guide West Twin River pontoon tours, and river paddles. Woodland Dunes will also coordinate with the City of Two Rivers to provide storm water management education to increase awareness of storm water pollution impacts to the East and West Twin Rivers. Fliers, newsletters, website, and newspaper articles will advertise the events. The project elements and deliverables will be completed as described in the project proposal submitted to the Department and dated April 30, 2012.

**Objective:**

**Comments:** Grantee is WOODLAND DUNES NATURE CENTER

**Outcome:**

**Study Design:**

**QA Measures:**

Title	Description	Author	Published	Comments
Woodland Dunes Nature Center and Preserve Final Report	Project Goal: The project aimed to support three major goals: 1. Enhance Woodland Dunes' watershed stewardship activities within the project area by building capacity to reach and engage local citizens. 2. Raise citizen awareness and provide individual citizens with the opportunities to participate in protecting and restoring the rivers. 3. Continue monitoring efforts through the Water Action Volunteers program	Woodland Dunes Nature Center	1/1/2017
