

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-233-13

Name: COLUMBIA COUNTY: Lodi Spring Creek Monitoring

Type: River Grant

Subtype: River Planning Grant

Status: COMPLETE

Start Date: 7/1/2012

End Date: 6/30/2013

Purpose: Columbia County Land and Water Conservation Dept. will sponsor a project to build upon previous monitoring work and continue the quantitative water quality monitoring program that will provide the ability to access stream loading impacts, impacts of urban versus rural and use developed models to move toward corrective measures that will provide the most beneficial use of resources. Project will provide water quality sampling data, lab results and project summary of data collected for year one and two. A final data summary of existing and previous year's data will be completed and compiled at the conclusion of the 2012 monitoring season. Sponsor will ensure that data is entered in DNR's SWIMS database.

Objective:

Comments: Grantee is COLUMBIA COUNTY
