

Wisconsin Department of Natural Resources
SWIMS Project Summary

General Project Information

Project ID: AEPP-020-06

Name: GREEN LAKE SANITARY DISTRICT: Big Green Lk Education, Prevention & Planning Project

Type: Aquatic Invasives Grant

Subtype: Aquatic Invasives Education

Status: COMPLETE

Start Date: 4/1/2006

End Date: 12/31/2007

Purpose: Green Lake Sanitary District proposes to conduct education, prevention and planning activities to control and prevent the spread of aquatic invasive species (AIS) into and from Green Lake during the period 2006 - 2007. The project elements and deliverables are specified in Green Lake Sanitary District's Aquatic Invasive Species Grant application, dated January 25, 2006. The project includes developing a comprehensive AIS plan addressing elements of prevention, control, monitoring, policy development, research, education/information, coordination and regional integration; conducting workshops to train volunteers in monitoring and prevention methods; monitoring for zebra mussels and other AIS; and identifying opportunities for regional integration of AIS prevention activities on near-by lakes. Annual progress reports and a final report summarizing the two-year project will be provided to DNR.

If consultant is to provide the final report, it is recommended the Grantee provide the DNR Aquatic Invasive Species Coordinator with a draft for comment on report adequacy prior to making final payment to the consultant. DNR to receive both paper and electronic .pdf copies of the final report along with, or prior to, submission of grantee's final payment request.

Objective:

Comments: Grantee is GREEN LAKE SANITARY DISTRICT
