

Wisconsin Department of Natural Resources  
SWIMS Project Summary

General Project Information

Project ID:

LPL-534

Name:

CITY OF PESHTIGO: Peshtigo Flow/Trout Crk NonPoint Source Project

Type:

Lakes Grant

Subtype:

Large Scale Lake Planning

Status:

COMPLETE

Start Date:

4/1/1998

End Date:

6/30/2002

Purpose:

The City of Peshtigo proposes to develop a plan to ID nutrient loadings from land use in the drainage area of Trout Creek Pond. Delineation of land use in the watershed will also be conducted. Tributary monitoring, in-lake sampling, aquatic plant surveys will also be conducted. Extensive public involvement including input by schools in the area will be a part of the project. News releases, public meetings and other outreach programs will be incorporated into the project. Funding from a variety of sources will also be a part of the effort. A steering committee made up of local representatives, officials and the public will guide the project. The DNR will be provided two paper copies and an electronic copy of the report.

Objective:

Comments:

Grantee is CITY OF PESHTIGO
