

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: SPL-262-11

Name: CALUMET COUNTY: Phase 2 Calumet County Lake Organization

Type: Lakes Grant

Subtype: Small Scale Lake Planning

Status: COMPLETE

Start Date: 4/1/2011

End Date: 6/30/2012

Purpose: Calumet County Planning Department will organize the individuals educated through phase one of this project to establish a lake monitoring group and supply them with expertise and resources to monitor lake conditions. And for county staff and professionals to meet with interested parties from the educational sessions to develop the strategy for improving the five lake system; Grass, Long, Boot, Round and Becker. Phase two will also include organizing a volunteer monitoring group which will inventory improper land use habits along the lake system, perform periodic water testing and share information with interested parties.

Objective:

Comments: Grantee is CALUMET COUNTY
