

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: SPL-319-14

Name: DECATUR LAKE MILLRACE ASSOC: DLMRA Website Dev

Type: Lakes Grant

Subtype: Small Scale Lake Planning

Status: COMPLETE

Start Date: 10/1/2013

End Date: 6/30/2014

Purpose: The Decatur Lake Millrace Association plans to improve communication and outreach for their young organization by developing a website. This should help increase public awareness and broaden the conversation about things they can do to strengthen the organization and generate ideas and energy to improve the lake. The deliverables include creation and launching of a new website, a membership list, and training for website and list maintenance. A press release and presentation of website availability will be made to City of Brodhead, and posted at the local library to get the word out. A brief final report will be submitted electronically at the end of the grant.
