**5. Additional Information.** (Space will expand to fit your text.)

This is the site of a former dairy farm in the Town of Forestville from which livestock left in the mid 1990s and use of the manure transfer and storage has ceased. This project was a voluntary decision made by the landowner. A complete standards and prohibitions inventory check was done and this parcel was found to be in compliance. A notice of satisfaction was sent out on December 11, 2013.
