Describe exactly how the zebra mussels were found (what were they attached to or other comments):

NONE

I take a walk through South Sample area at least every two weeks but send you a report only in a month and a half to two months. If I find any I will report sooner. Gordon Ciskowski

Monitoring Results

Total number of mussels found: NONE
Size of the largest mussel:
Size of the smallest mussel:

If greater than 20 mussels are found measure 20 mussels chosen randomly from the sample. If less than 20 mussels are found measure all mussels found. Report results in the table given at the back of this manual.
