Subject: City of Fitchburg Northeast Neighborhood Urban Service Area Amendment Request

Dear Mr. Roach:

DNR has received and evaluated your request in letters and submittals dated January 9 and 14, 2015, for the City of Fitchburg Northeast Neighborhood amendment to the Central Urban Service Area in the Dane County WQM Plan.

We partially approve your request for this amendment. We approve of Phase 1 and a portion of Phase 2a as outlined on the attached map. The map indicates areas that are approved for sewer service as well as the generalized areas identified as environmentally sensitive. We will issue an additional map refining the location and size of the pertinent environmentally sensitive areas in a subsequent communication.

You will note the attached *Findings of Fact, Conclusions of Law and Decision* for this request identifies a number of conditions and recommendations associated with this administrative decision. We look forward to working with your staff, CARPC, and other interested parties, to follow through on the resource management studies and issues outlined in this document.

Sincerely,

Susan L. Sylvester, Director  
Water Quality Bureau  
Department of Natural Resources
