

WISCONSIN DEPARTMENT OF HEALTH & SOCIAL SERVICES
OAKWOOD STATE CAMP
DANE COUNTY

October 5, 1976

Murphy Creek Tributary - The Oakwood State Camp treatment plant discharges into Murphy Creek Tributary which runs into a large marsh. Murphy Creek Tributary is an intermittent generally dry tributary. No discharge enters Murphy Creek in a direct manner due to absorption by the marshland acreage.

Recommendations

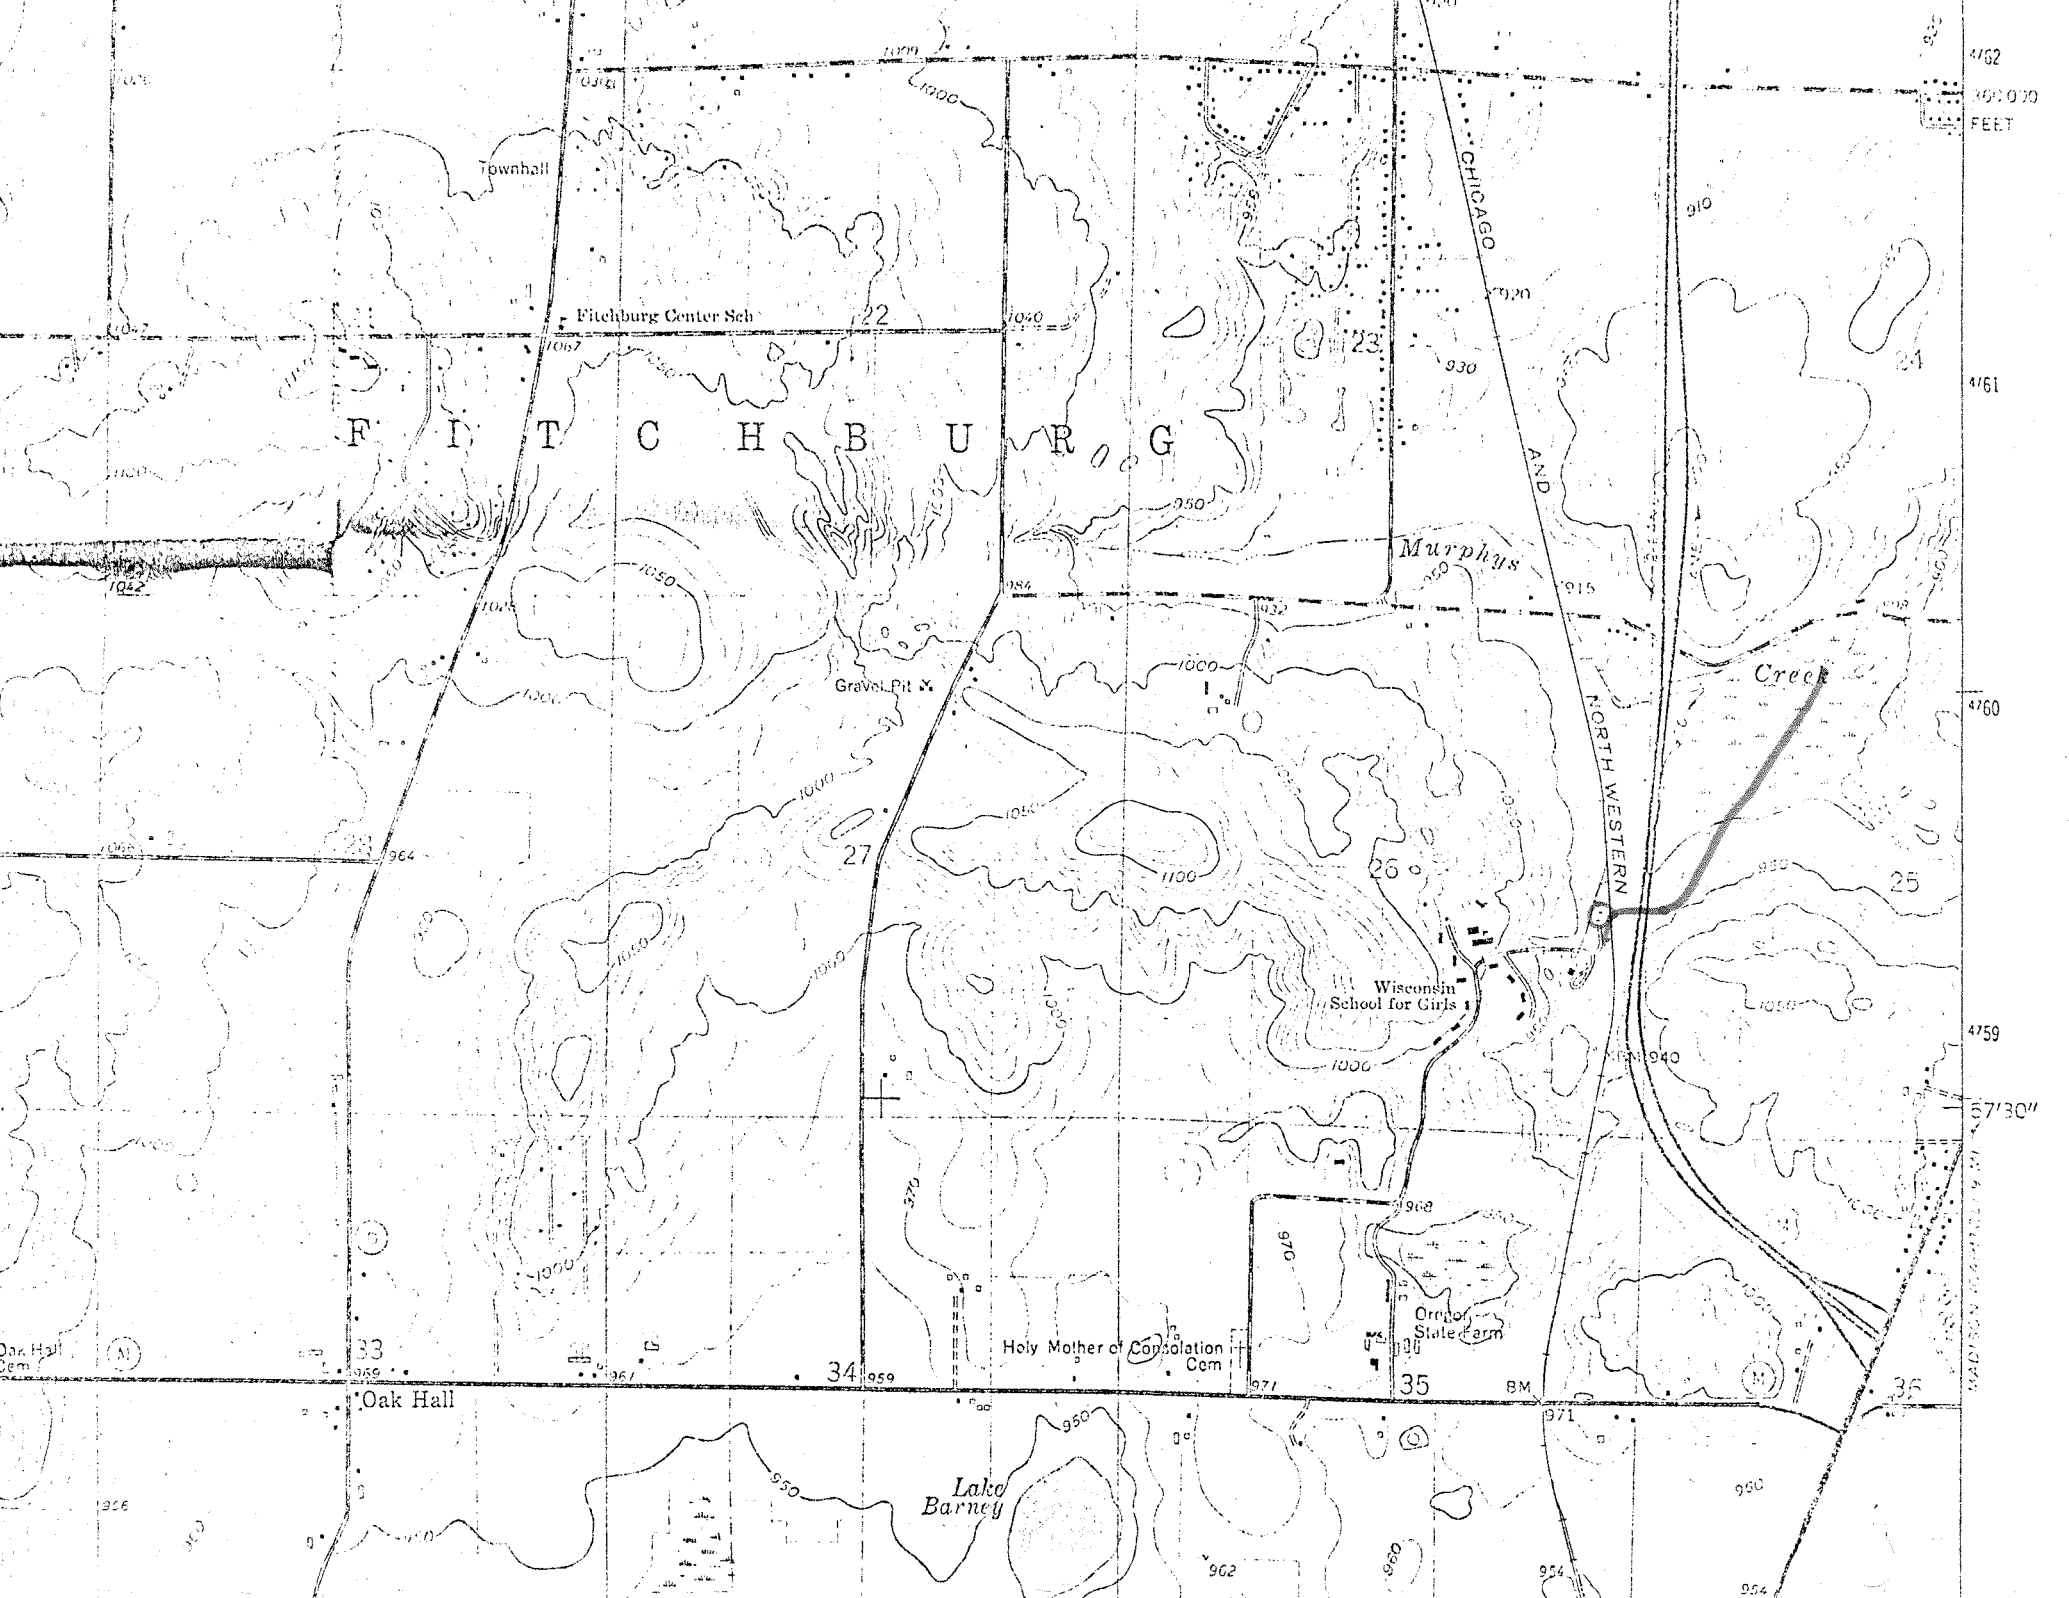

Murphy Creek Tributary in its entirety should be classified as noncontinuous marginal surface waters.

The above recommendations represent a concurrence of opinion of the stream classification team who are as follows:

Roy Lembcke	District Engineer
Clifford Brynildson	Area Fish Manager
Tom Bainbridge	Stream Classification Coordinator
Roger Schlessler	Natural Resources Technician

Thomas Bainbridge
Stream Classification Coordinator
