DNR File No. CM-0002

Gerald V. Ellefson  
City of Monroe  
1110 18<sup>th</sup> Avenue  
Monroe, WI 53566

SUBJECT: Type I Amendment to the City of Monroe Sewer Service Plan, Green County

Dear Mr. Ellefson:

We have completed our review of the subject amendment request that was submitted to the Department on May 23, 2007. The Department hereby conditionally approves the amendment that adds 75 acres to the north side of the service area and removes 75 acres from the south side of the service area (Type 1 amendment) as shown in the attached map. The added area is generally located north and west of intersection of STH 69 and STH 11 and is expected to be developed for commercial uses.

The proposed amendment addition was adopted by the City of Monroe Plan Commission on May 9, 2007.

This approval is subject to the condition that development in the added area is subject to stormwater and erosion control management practices in accordance with City ordinances and applicable state regulations.

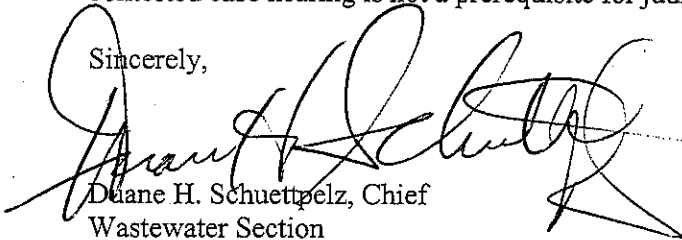

The approval of this sewer service area amendment does not constitute approval of any other local, state, or federal permit that may be required for sewer construction or associated land development activities.

If you believe you have a right to challenge this decision made by the Department, you should know that Wisconsin statutes, administrative codes and case law establish time periods and requirements for reviewing Department decisions.

To seek judicial review of the Department's decision, sections 227.52 and 227.53, Stats., establish criteria for filing a petition for judicial review. Such a petition shall be filed with the appropriate circuit court and shall be served on the Department. The petition shall name the Department of Natural Resources as the respondent.

To request a contested case hearing pursuant to section 227.42, Stats., and ch. NR 2, Wis. Adm. Code, you have 30 days after the decision is mailed, or otherwise served by the Department, to serve a petition for hearing on the Secretary of the Department of Natural Resources. The filing of a request for a contested case hearing is not a prerequisite for judicial review.

Sincerely,

A handwritten signature in black ink, appearing to read "Duane H. Schuettzel", is written over the typed name.

Duane H. Schuettzel, Chief  
Wastewater Section  
Bureau of Watershed Management
