Discuss Following Prevention Steps with Boater
 WI Law requires boaters to take the following steps when leaving a boat landing:
 Steps 1 & 2: **Inspect** boat, trailers and equipment and **remove** any attached plants/animals.
 » Have you heard of this before? (see prompt)
 Step 3: **Drain** all water from **boats**, vehicles and equipment.
 » Do you have any questions? (see prompt)
If angler, state following steps:
 Step 4: **Drain** water from **livewells** and containers holding your catch.
 » This is a relatively new law. Were you aware that this is required? (see prompt)
 Do you use live bait? (If YES, share message below.)
Bait Message: If live bait comes in contact with lake/river water, it can only be used on that same waterbody or discarded in trash. (bait=minnows/leeches/worms)
 » Do you have any questions on this law as it can be a little confusing? (If yes, see Prompt and offer bait sticker/brochure)

TOTALS: Enter the totals & waterbody information into SWIMS at <http://dnr.wi.gov/lakes/cbcw-data>
