Proposal: to correct a name to recognize the spelling of a family name

Map: USGS Oconto Falls North 1:24,000

Proponent: Dianne (Kuplic) Sargent; Indiana

Administrative area:

Previous BGN Action: None

Names associated with feature:

GNIS: Kuplie Lake (FID 1567663)

Local Usage: None found

Published: Kuplic Lake (Welcome to Oconto brochure), Kuplie Lake (USGS 1956, 1982, 1983; Wisconsin Department of Natural Resources/Wisconsin Lakes website; Oconto County map 1973, 2000)

Case Summary: This proposal is to change the name of Kuplie Lake, a 13-acre lake in the Town of Oconto Falls in Oconto County, to Kuplic Lake. The proponent, a member of the Kuplic family who now lives in Indiana, noticed that the name shown on USGS topographic maps differs from that of her family's name and is asking that the error be corrected. She reports that her grandparents, Joseph (1855-1939) and Mary (1860-1930) Kuplic, homesteaded in the vicinity of the lake in the early 20th century and says was told by her father and uncle that a nearby lake bears their name. In doing genealogy research, she discovered that the lake is labeled "Kuplie." According to USGS field notes, the name Kulpie Lake was first reported in the mid-1950s and was labeled on the 1956 15-minute USGS topographic map. When the first 7.5-minute map was being prepared in 1974, the field man verified the spelling as "Kulpie," citing the 1973 Oconto County map, and a 1968 Wisconsin Lakes inventory. A later county highway map, published in 2000, also labels the lake Kuplic Lake, but cites USGS quadrangles as the source of the base map.

The proponent's uncle claims there were never any families named Kuplic in the area. A 1912 map of Oconto Falls Township shows that the property around the lake was owned by "Mary Kuplik" [sic], while a map of adjacent Spruce Township shows Joe Kuplik's name on the adjoining section of land. The 1930 Federal Census of Spruce Township lists Joseph and Mary Kuplic and their three sons. A list of gravesites in nearby Pine Hill Cemetery includes nine individuals named Kuplic, including Joseph and Mary Kuplic. The proponent also provided a copy of a Welcome to Oconto brochure that labels the lake Kuplic Lake.

Thank you for your response. We received an email from the Mayor of Oconto also informing us of our error in contacting the City of Oconto instead of the Town of Oconto Falls for which we sincerely apologize. We have now contacted them. The Wisconsin Geographic

Dear Mayor Fulton:

In March of 2012 our office sent a request for your town's recommendation on a request the U.S. Board on Geographic Names received to change the name spelling of Kuplie Lake to Kuplic Lake to reflect correct family name spelling. We have yet to receive a reply, but because local opinion is very important to the Board, we would still like your opinion concerning this name issue. We also ask that you share this request with the appropriate offices or others who might have an interest.

For more detailed information regarding this name issue, including a link to an online map showing the location of the lake, please click on Review List 408 at the Board's website at:

http://geonames.usgs.gov/domestic/quarterly_list.htm

Please find attached several case documents including the original proposal. We have others, but due to your email size limitations they will be sent only upon request. In order for the Board to review all responses and vote on this issue in a timely manner, we ask that if possible you respond with an opinion by December 18, 2013. Please note that if no response is received, the Board will consider your opinion to be "neutral" and will make a decision that might affect the use of names in your area of interest.

If you have any questions, please do not hesitate to contact us.

Thank you in advance for your assistance in this matter and we look forward to hearing from you.

Hello ,my name is Dianne (Kuplic) Sargent. my great grandparents Jospeh and Mary (Miller) Kuplic ,homesteaded a farm just south of Spruce Wisconsin. I had grown up being told by my father Neil E. Kuplic & grandfather Edward N. Kuplic that the lake close by was called "Kuplic Lake" . I have recently started doing research on ancestry.com and have looked up the lake online also. I find that it is on the maps as "Kuplie" lake.....I have contacted my uncle James W. Kuplic and my uncle Donald Kuplic about the name & they both have confirmed that it should be KUPLIC lake ,not Kuplie.....we believe there has been a typo somewhere in the past ,where someone could not read someone's writing & therefore the name has been entered incorrectly.

I am enclosing a copy of a Welcome to Oconto County map/brochure that does have the correct name on the lake....someone has circled it. I just acquired this map/brochure from my mother's belongings ,who just died April 6th ,2011.

I would appreciate you looking into this ,so the Kupilc family name who homesteaded the area ,is corrected on the lake.

Thank you ,

Dear Dianne:

I received your e-mail. Thank you for the Geographic survey, however they did not clear up the name error, the only thing I can think of, is a typo. I don't know any Kuplie families or have I seen or heard that name. The Bottomless Lake was the Kuplic Lake, the reason it was called Bottomless, the bottom of the Lake is soft mud and not a hard base, if someone or something went to the bottom they would sink in the mud, at least this is what I remember Dad telling us. If you should find other information please let me know.
