Hi Dave...

I received your message on my answering machine...Our Town Board did not think the name Cheese Lake fit our township because we are not a dairy farm town or do we have any such farm in our town at all. We have lots of nice fishing lakes and beautiful forest lands in our town. We thought the name of Clover Lake fit our township much better.

Thanks for taking this into consideration.

Subject: Wisconsin Geographic Names Council: Cheese/Clover Lake Name Proposal

Hello Julie,

Thank you for returning the geographic name proposal recommendation form for Cheese Lake and providing a copy of the meeting minutes. I see the Town of Cloverland has passed a motion to name this lake Clover Lake. Could you provide some additional information about that name and why it was chosen by the Town Board as an alternative? This will ensure the Geographic Names Council has enough information to consider Clover Lake as an alternative name.

Thank you again for your response and please let me know if you have any questions,

We are committed to service excellence.
