Hi Brian,

Our web pages use data from the DNR Register of Waterbodies database, which in turn uses names from the USGS Geographic Names Information System (GNIS)  
[http://geonames.usgs.gov/apex/f?p=136:3:0::NO:3:P3\\_FID,P3\\_TITLE:1573793,Schoenberg%20Marsh](http://geonames.usgs.gov/apex/f?p=136:3:0::NO:3:P3_FID,P3_TITLE:1573793,Schoenberg%20Marsh)

We do have a process for changing names.

Sometimes there may be enough evidence that there is simply an error, and we can get USGS to change their records, but we'd have to convince them that it's a minor/non-controversial typo. Check out Section 15 of this 1927 plat map

<http://dlgicoll.library.wisc.edu/cgi-bin/AWI/AWIidx?types=article&id=WI.PlatBookCol27.i0023&id=WI.PlatBookCol27&size=XL&title=Plat%20book%20of%20Columbia%20County%2C%20Wisconsin%20%3A%20compiled%20from%20surveys%20and%20the%20public%20records...%2C%20p.%2019>

or 1956

<http://www.historicmapworks.com/Map/US/156360/Leeds+Township/Columbia+County+1956/Wisconsin/>

I'll talk to Dave Winston, an LTE here, who is coordinating the Wisconsin Geographic Names Council, and we can get in touch w/ USGS.

We are committed to service excellence.

Hi Jennifer,

This looks like an issue with spelling – would you be able to follow up? There may be some discrepancy with official name and common name...

Thanks,

Brian

All,

Not the first time I've heard this. We've also been told the correct spelling is Schoenberg.....

Right or wrong, I believe we went with the current spelling because that is the spelling on USGS topo maps. It's also that way in some of the commercially available map books.

Not sure why this came to me, or where on the DNR website the Schoenberg Marsh is listed...

Tia, this is a USFWS WPA property – not sure where that would be listed on the "DNR site"?

I noticed this is also spelled Schoenberg in the 1999 6<sup>th</sup> edition of the Wisconsin Atlas and Gazetteer I use.

Suggested response back to Ms. Schoeneberg welcome!

Hi,

I just wanted to inform you that Schoeneberg Marsh is misspelled on the DNR site, as well as some signs along the marsh. The DNR site has *Schoenberg Marsh*. It's missing the 2nd "e".

Thanks.
