OPERATIONS COMMITTEE
City of Beaver Dam, Wisconsin 53916
Meeting Minutes of April 4, 2016

The meeting, held in Room 113 at the Municipal Building, 205 S. Lincoln Avenue, was called to order at 7:00 by Chairperson Robert Ballweg.

Other Board /Commission /Committee members present: Alderpersons Donna Maly, Mick McConaghy, Teresa Hiles-Olson, Mary Morgan, Mick Fischer, and Jon Abfall.

Also present for all or part of the meeting: Mayor Kennedy, City Attorney Maryann Schacht, Water Utility Operator Jeremy Klug, Director of Utilities Rob Minnema, Parks, Forestry & Facilities Supervisor John Neumann, Community Activities & Services Director Evonne Boettge, Mike Laue of MSA Professional Services, Inc., Craig Warmbold of Good Karma Broadcasting, Ben Reuter of Beaver Dam Daily Citizen, and Director of Facilities & Engineering Ritchie Piltz.

1.) Approval of the March 21, 2016 Operations Committee Minutes:

A Motion was made by Hiles-Olson, and seconded by Abfall approving the minutes of the March 21, 2016 Operations Committee meeting.

Hearing no discussion, the motion was carried by a vote of 6 to 0, with McConaghy abstaining.

2.) Review of current invoices:

Hearing no questions, the current invoices were forwarded to the Common Council.

3.) 151 Business Park:

Mike Laue of MSA Professional Services, Inc briefed the committee on the two certified survey maps required for creating 3 lots to be sold by the City, 1 lot created for the water tower site, and the remaining business park lot. The first CSM includes the Area of Dedication for the newly created Tower Drive and for the extension of Kellom Road. Since these surveys are not splitting platted lots there is no need for Plan Commission approval.

A Motion was made by Hiles-Olson and seconded by Fischer recommending approval of a Resolution Approving Certified Survey Maps showing lots to be sold by the City of Beaver Dam and Dedicating Future Street Right-of-Way for Tower Drive and Kellom Road.

Hearing no other discussion, the motion was unanimously carried.

4.) 151 Business Park Temporary Access Road:

Mike Laue of MSA Professional Services, Inc briefed the committee on the need for a temporary gravel access road to provide access to the lots that are scheduled for development in 2016. The project was advertised and 11 proposals were received and opened. Laue recommended awarding the contract to the low bidder, A. Glewen & Sons, LLC for the amount of \$19,298.00.

OPERATIONS COMMITTEE
City of Beaver Dam, Wisconsin 53916
Meeting Minutes of April 4, 2016

A Motion was made by Maly and seconded by McConaghy recommending approval of a Resolution Awarding the Contract for a Temporary Gravel Access Road in the 151 Business Park to A. Glewen & Sons Excavating, LLC, Waupun, WI for the bid amount of \$19,298.00.

Hearing no other discussion, the motion was unanimously carried.

5.) The Watermark Paving Plan:

Director of Facilities & Engineering Ritchie Piltz presented three pavement marking options for the Watermark lot and briefly explained the differences between them. Option 1 is the original pavement marking plan included with the site work plans having 89 regular 90° parking stalls and 8 handicap stalls but does not leave room for a river walk through the site. Option 2 changes the 90° stalls along the river to parallel stalls leaving 10' for a river walk. This option would reduce the number of regular stalls to 66. Option 3 changes the stalls to 60° angled stalls providing 68 regular stalls and leaving only 5' for a river walk. Piltz recommended Option 2 as it provides additional separation between the parallel parking stalls and the walkway. Mayor Kennedy and Mike Laue were also in favor of this option. Option 3 would prove to be somewhat confusing for motorists trying to navigate the parking lot to find open stalls. Evonne Boettge was not in favor of Option 2 as she wants angled parking stalls with one-way entrance and exits.

After brief discussion a Motion was made by Hiles-Olson and seconded by Maly to table this item until the next Committee meeting.

Hearing no other discussion, the motion was unanimously carried.

6.) Grass/Weed Cutting Service:

Parks, Forestry & Facilities Supervisor John Neumann briefed the Committee on the advertisement for bids, having sent out 2 proposal packets and receiving 1 in return that was opened. The proposal was submitted by Duane's Lawn Care who has been the City's contractor the last 2 years. Neumann stated that the price has been increased \$5 per hour over last year's contract.

A Motion was made by Hiles-Olson and seconded by Morgan recommending approval of a Resolution Awarding the Contract for 2016 Non-Compliance Grass/Weed Cutting Service to Duane's Lawn Care, Burnett, WI for the base bid amount of \$45.00 per hour.

Hearing no other discussion, the motion was unanimously carried.

7.) 2016 V-Box Slide-In Salt Spreader:

Jeremy Klug briefed the Committee on the 3 bids received with the apparent low bidder not including interior controls in his bid. Therefore Klug recommended awarding the contract to the second lowest bid being submitted by Casper's Truck Equipment for the price of \$23,554.00.

OPERATIONS COMMITTEE
City of Beaver Dam, Wisconsin 53916
Meeting Minutes of April 4, 2016

A Motion was made by Maly and seconded by Fischer recommending approval of a Resolution Awarding the Contract for a 2016 V-Box Slide-In Salt Spreader to Casper's Truck Equipment, Appleton, WI for the total bid not to exceed \$23,554.00

Hearing no other discussion, the motion was unanimously carried.

8.) Urban Nonpoint Source & Stormwater Management Grant:

Director of Facilities & Engineering Ritchie Piltz briefed the Committee on the grant award of \$14,885 for paving the Watermark parking lot with permeable asphalt. Piltz then referred to the 2 estimates that he prepared listing the total estimated cost of paving the lot with permeable asphalt at \$243,799.25 vs paving with a standard asphalt mix at a cost of \$107,351.75, and thereby not making fiscal sense to spend an extra \$130,000 to be reimbursed \$14,885.

A Motion was made by May and seconded by Hiles-Olson not accepting the grant award for the Watermark Project Permeable Pavement Installation.

Hearing no other discussion, the motion was unanimously carried.

9.) Asbestos Abatement Services – 114 E. Third Street:

Director of Facilities & Engineering Ritchie Piltz briefed the Committee on the 3 bids received and recommended proceeding with the low bid submitted by Environet Inc., of Wisconsin, Oshkosh.

A Motion was made by McConaghy and seconded by Hiles-Olson recommending approval of a Resolution Awarding the Contract for Asbestos Abatement Services at 114 E. Third Street to Environet Inc., of Wisconsin, Oshkosh, WI for the amount bid of \$11,260.00.

Hearing no other discussion, the motion was carried by a vote of 5 to 1, with Hiles-Olson voting no.

10.) The Watermark:

Director of Facilities & Engineering Ritchie Piltz presented change order #3 for review and recommended its approval. Items covered under this change order include; adding handicap signage at family restroom, omit flanking stone veneer at fireplace, paint air returns to match wall colors, change sink in pantry, add 32 locks on cabinets, electrical changes, added charges for flooring prep, rescrub and reseal vinyl flooring due to large number of tiles marked for replacement, and reconcile owner direct purchases. The amount of this change order is an added \$27,283.69.

A Motion was made by Fischer and seconded by Maly approving Change Order No. 3 for an increase of \$27,283.69.

Hearing no other discussion, the motion was unanimously carried.

OPERATIONS COMMITTEE
City of Beaver Dam, Wisconsin 53916
Meeting Minutes of April 4, 2016

Agenda Item 11 was previously removed from the agenda.

12.) 2016 Projects:

Director of Facilities & Engineering Ritchie Piltz described all of the projects currently out for bids. Those being; Fire Department Remodel, Crack Filling & Joint Sealing, Demolition of 114 E. Third Street, Pavement Marking which Piltz explained is going to be limited to epoxy marking in 2016, and Sealcoating which will be sealing streets in the Stonehaven and Georgetown Subdivisions. McConaghy questioned when Madison Street was overlaid as it is beginning to show signs of severe cracking. Piltz stated that Madison Street was last overlaid in 2010 and that the underlying concrete pavement is so deteriorated that it is turning into gravel. Piltz mentioned that the asphalt pavement could be crack filled this year and possibly sealcoated next year.

ANY OTHER BUSINESS FOR FUTURE AGENDAS

Recommend an ordinance removing two-hour parking along the west side of the 200 block of S. Center Street.

ADJOURNMENT

A Motion was made by Maly, seconded by McConaghy and unanimously carried to adjourn the Operations Committee meeting at 7:41 p.m.

Dear Mr. Klug:

Congratulations! On behalf of the Governor, we are pleased to forward to you a grant agreement for financial assistance for the following project: ***Watermark Project Permeable Pavement Installation***

This grant, and any reimbursements made under it, is governed by very specific statute and administrative code provisions. Accordingly, please read the grant documents thoroughly, paying particular attention to the Scope and Conditions sections for eligibility, grantee requirements and reimbursement provisions. There are also a number of activities where you must obtain prior departmental review and authorization before proceeding; *please see Conditions section of your grant agreement.*

You are obligated to submit a Final Report with your final reimbursement request for the projects completed under this grant; before and after photographs are a required component.

To accept this grant, please review the agreement and transmit the DNR Copy signed by the authorized government official, along with the completed *Grantee Contact Page*, as well as evidence that your community has committed the necessary funding for the local share, to the Bureau of Community Financial Assistance using one of the return methods below. The second copy is for your file.

PART 3. PURPOSE AND SCOPE

This grant provides cost-share funding and authorizes reimbursement by the DEPARTMENT for the above named project as described in the grant application submitted for the grant period in Part 1 above. Reimbursements may be made for eligible work performed and expenses incurred for the following Best Management Practices consistent with the project budget identified in Part 2 above.

[U6] Urban Practice Design

The municipality will construct/install a permeable pavement surface to remedy discharges of total suspended solids in urban runoff entering waters of the state.

PART 4. CONDITIONS

A. General Conditions:

- A.1. The Wisconsin Department of Natural Resources (DEPARTMENT) and the GRANTEE identified in Part 1 above mutually agree to perform this agreement in accordance with the Urban Nonpoint Source Water Pollution Abatement and Storm Water Management Grant Program and ss. 281.66 and 283, Wis. Stats., and chs. NR 151, 154, 155, and 216, Wis. Adm. Code, and with the project proposal, application, terms, promises, conditions, plans, specifications, estimates, procedures, maps and also any assurances attached and made a part of this agreement.
- A.2. This agreement, together with any referenced parts and attachments, shall constitute the entire agreement and previous communications or covenants pertaining to this agreement are superseded. Any revisions to this agreement must be made by written amendment, signed by both parties, prior to the termination date of this agreement, whether for changes in scope, grant period, or cost. Requests to extend the grant period must be made 45 days or more before the end of the grant period in Part 1.
- A.3. Failure by the GRANTEE to comply with the terms of this agreement shall not cause the suspension of all obligations of the State if, in the judgment of the Secretary of the DEPARTMENT, such failure was due to no fault of the GRANTEE. In such case, any amount required to settle at minimum costs any irrevocable obligations properly incurred shall be eligible for reimbursement under this agreement, at the DEPARTMENT's discretion.
- A.4. Eligibility for cost-sharing reimbursement is governed by the provisions of s. NR 154.04 and ch. NR 155, Wis. Adm. Code. Cost-share rates and applicability may be further limited by departmental contract approval(s), which may restrict the cost-share amount due to the eligibility requirements of the statute and codes.
- A.5. The amount listed in Part 2 above is the maximum amount the DEPARTMENT may reimburse under this agreement.
- A.6. Neither the GRANTEE nor any landowner may adopt any land use or practice that reduces the effectiveness or defeats the purposes of any BMP installed under this agreement.
- A.7. The GRANTEE:
1. Agrees to comply with all applicable Federal, Wisconsin, and local laws in fulfilling the terms of this agreement. In particular, GRANTEE agrees to comply with all applicable local and state contract and bidding requirements. GRANTEE should consult its legal counsel with questions concerning contracts and bidding. For assistance, GRANTEE may consult Procurement Guide for Local Governments Receiving DNR Grants.
 2. Agrees to obtain all necessary and appropriate permits prior to commencement of construction.
 3. Shall ensure that DEPARTMENT representatives have access to land on which grant-funded activities are being planned or installed, before, during and after BMP installation.
 4. Promises, in consideration of the promises made by the DEPARTMENT, to execute the project described in accordance with this agreement.
 5. May decline the offer of financial assistance provided through this agreement, in writing, at any time prior to the start of the project and before expending any funds. After the project has been started or funds expended, this agreement may be rescinded, modified, or amended only by mutual agreement in writing.
 6. Agrees that its employees or agents are not employees or agents of the DEPARTMENT for any purpose, including Worker's Compensation.
 7. Agrees, to save, keep harmless, defend and indemnify the DEPARTMENT and all its officers, employees and agents, against any and all liability claims, costs of whatever kind and nature, for injury to or death of any person or persons, and for loss or damage to any property (state or other) occurring in connection with or in any way incident to or arising out of the occupancy, use, service, operation or performance of work in connection with this agreement or omissions of GRANTEE's employees, agents or representatives.

8. Agrees to reimburse the DEPARTMENT of any and all funds the DEPARTMENT deems appropriate in the event the GRANTEE fails to comply with the conditions of this agreement or project proposal as described, or fails to provide public benefits as indicated in the project application, proposal description or this agreement. In addition, should the GRANTEE fail to comply with the conditions of this agreement, fail to progress due to non-appropriation of funds, or fail to progress with or complete the project to the satisfaction of the DEPARTMENT, all obligations of the DEPARTMENT under this agreement may be terminated, including further project cost payment.
9. Agrees, in connection with the performance of work under this agreement, not to discriminate against any employee or applicant for employment because of age, race, religion, color, disability, handicap, sex, physical condition, developmental disability as defined in s. 51.01(5), Wis. Stats., sexual orientation or national origin. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. Except with respect to sexual orientation, the GRANTEE further agrees to take affirmative action to ensure equal employment opportunities, as required by law. The GRANTEE agrees to post in conspicuous places available, for employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the nondiscrimination clause.
10. Agrees that accounting for project funds shall conform to generally accepted accounting principles and practices, and that GRANTEE shall maintain a financial management system in compliance with s. NR 155.29, Wis. Adm. Code, and separate from all other GRANTEE activities, for this agreement.
11. Agrees that all consultant and construction contracts must be approved by the DEPARTMENT **prior** to GRANTEE signing any contract in order to determine reimbursement eligibility and conformity with practice technical standards and storm water permitting requirements.
12. Agrees that project design must be approved by the DEPARTMENT before construction begins.
13. Shall comply with the cost containment and procurement procedures in the applicable administrative codes governing this agreement.
14. Agrees to obtain prior DEPARTMENT approval before entering into a cost-share agreement with landowners and land operators if the best management practice will be constructed on land not owned by the GRANTEE. The cost-share rate offered to the landowner may not exceed the cost-share percentage specified in Part 2 of this agreement. Such agreements and any agreement amendments shall be recorded with the County Register of Deeds and promptly submitted to the DEPARTMENT's Regional Nonpoint Source Coordinator listed in Part 1 above.
15. Agrees not to reimburse landowner or land operators under this agreement if landowner or land operator is delinquent in child support or child maintenance payments per s.49.854 (2) (b), Wis. Stats. Prior to entering into a cost-share agreement with a landowner or land operator, the GRANTEE shall verify the status of the cost-share recipient by viewing the Department of Workforce Development website <https://liendocket.wisconsin.gov/>.
16. Agrees to retain and make available to the DEPARTMENT for inspection all fiscal records, including invoices and canceled checks, that support all project costs claimed by the GRANTEE, for three years from the date of final payment by the DEPARTMENT or three years after the end of the Grant period, whichever is later, or for a longer period if required by the DEPARTMENT for audit purposes.
17. Agrees to comply with annual Single Audit requirement, at its own expense, if combined total state and federal grant awards received by the GRANTEE from all sources is \$750,000 or more during the calendar year. Annual Single Audit requirements are specified in 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, & Audit Requirements for Federal Awards (referred to as Uniform Guidance) and the Wisconsin State Single Audit Guidelines found at: <http://www.doa.state.wi.us/Divisions/budget-and-finance/financial-reporting/state-controllers-office/state-single-audit-guidelines> issued by the Wisconsin Department of Administration (DOA), State Controller's Office.

18. Agrees to submit progress reports to the DEPARTMENT Regional Nonpoint Source Coordinator identified in Part 1 of this agreement.
19. Agrees to submit a final report within 60 days of the end of the grant period to the DEPARTMENT Regional Nonpoint Source Coordinator detailing practices installed and results expected/obtained, along with an operation and maintenance strategy for the practices installed. Use this link to access the Final Report materials:
<http://dnr.wi.gov/Aid/UrbanNonpoint.html>
20. Agrees that reimbursements may only be made for work performed, and expenses incurred, during the Grant Period as specified in Part 1 above. Grant reimbursements shall not exceed the individual line item amounts and will be calculated at the cost-share percentage in Part 2 of this grant. Reimbursements may not exceed the eligible contract prices approved by the DEPARTMENT times the cost-share rate. Reimbursement request(s) must be submitted to the DEPARTMENT Regional Nonpoint Source Coordinator listed in Part 1 above at the address identified and must be accompanied by payment documentation, consisting of consultant/contractor invoices with check nos. and dates paid.

The DEPARTMENT will not issue final reimbursement to the GRANTEE unless GRANTEE has submitted the Final Report and the Final Report has been approved by the DEPARTMENT Regional Nonpoint Source Coordinator.

Total reimbursements may be limited by: inclusion of ineligible items within the project activities; proration of grant coverage for either water quantity (flood) capacity or new development; and, the grantee's request for a lesser cost-share rate than the maximum allowable state rate.

A.8. The DEPARTMENT:

1. Promises, in consideration of the covenants and agreements made by the GRANTEE, to obligate for the GRANTEE the amount identified in Part 2 above and to tender to the GRANTEE that portion of the obligation that is required to pay the DEPARTMENT's share of the costs based on the cost-share percentage listed in Part 2 above for eligible project work performed and expenses incurred during the grant period noted in Part 1 above.
2. Agrees that the GRANTEE shall have sole control of the method, hours worked, and time and manner of any performance under this agreement other than as specifically provided in this document. The DEPARTMENT reserves the right only to inspect the job site or premises for the sole purpose of ensuring that the project is progressing or has been completed in compliance with the agreement. The DEPARTMENT takes no responsibility of supervision or direction of the performance of the agreement to be performed by the GRANTEE or the GRANTEE's employees or agents. The DEPARTMENT further agrees that it will exercise no control over the selection and dismissal of the GRANTEE's employees or agents.
3. Shall withhold twenty percent (20%) of the total grant amount until final inspection, project certification, and project's Final Report has been approved. The DEPARTMENT may only reimburse under this agreement [per s. 281.66 (3) (a) 2., Wis. Stats.] where the GRANTEE "... ensures adequate implementation of construction site pollution control, and of storm water management after development, for development and redevelopment of sites of one or more acres".

B. Special Conditions

- B.1. Environmental Protection.** The GRANTEE is responsible for following all federal and state regulations for detecting and managing contaminated soils or solid waste encountered during installation of the best management practices funded under this grant. If such materials are encountered, the grantee shall immediately contact the DNR Regional Nonpoint Source Coordinator. The DEPARTMENT may terminate this grant if it determines that installation and operation of the BMP may facilitate movement of hazardous substances to waters of the state.
- B.2. Natural Heritage Concerns.** If historical/cultural artifacts are unearthed or environmental hazards are discovered during any earth disturbance under this agreement activity, GRANTEE must immediately stop construction activities and notify the DEPARTMENT's Regional Nonpoint Source Coordinator to determine the appropriate response.

B.3. Enforcement. As stipulated in the application for this project noted in Part 1 above, the GRANTEE is responsible for enforcing all local ordinance obligations for construction erosion and post-construction runoff and implementing the storm water local program indicated under the Multiplier section of the application.

B.4. Land Acquisition. This grant authorizes cost-sharing reimbursement, not to exceed the amount in the Land Acquisition budget line and the cost-share percentage set forth in Part 2 above, on the actual eligible purchase price of land required for construction of the best management practice. Value of land for grant purposes is determined by appraisal. Appraisals must be approved by the DEPARTMENT prior to any acquisition, and maximum eligible costs are limited to the amount authorized by the DEPARTMENT's appraisal approval letter. See s. NR 155.25, Wis. Adm. Code, for grant-specific land acquisition requirements and "Land Acquisition Guidelines for Local Governments" for uniform land acquisition requirements for all DEPARTMENT grant programs.

PART 5. INELIGIBLE COSTS

1. Costs incurred, or work performed, either prior to or after the grant period (page 1, Part 1), unless specifically authorized in the grant *Purpose and Scope* (Part 3).
 2. Costs which are inconsistent with the grant application or this grant agreement,
 3. Costs related to operation and maintenance of BMPs.
 4. Costs specified in s. NR. 155.15(2), Wis. Adm. Code.
