State of Wisconsin Department of Natural Resources

Purple Loosestrife Insect Release Field Report

3200-117

Notice: Pursuant to NR 40.04(3), Wis. Adm. Code, information requested on this form is required to document movement of purple loosestrife plants used for biocontrol. Information is also requested for placement of biocontrol insects for the Purple Loosestrife Biocontrol Project, authorized under s. 23.235 (3m), Wis. Stats. Personal information collected will be used for administrative purposes and may be provided to requestors to the extent required by Wisconsin's Open Records Law (ss.19.31-19.39, Wis. Stats.).

Instructions: This report is the mandatory second part of your Purple Loosestrife Biocontrol Permit. It details where you placed loosestrife plants and/or biocontrol insects, as well as important receiving-site information only YOU can provide. Estimate data as best you can (e.g one football field (without end zones) is ~1 acre). Describe your site completely, create a name (abbreviated site description) & add GPS coordinates, if possible. Report one species per data box. To enter data easily online, please visit http://dnr.wi.gov/topic/invasives/loosestrife.html. Questions regarding online data entry? Please contact 608-264-8533 . If unable to enter data online, you can send completed data sheets to Dept, of Natural Resources - 101 S. Webster St. WT/4 P.O. Box 7921, Madison WI 53707-7921 (Fax 608-267-2800). Please take digital site photo(s) and send with your name and photo names/dates(s) to brock.woods@wi.gov. Thank You!

min your name and price names/autos(s) to prock, woods@w.gov. Thank Tod.
