

Boat Landing Sign Survey

Our goal is to have new aquatic invasive species (AIS) signs on every public boat landing in the state of Wisconsin. In order to meet this goal, we need to determine which boat landings have received the new AIS signs and which boat landings we still need to visit. Please fill out a separate survey for each Wisconsin DNR AIS sign that you install at an access point. This survey information can be uploaded to SWIMs or mail to:

**AIS Education Specialist
Wisconsin DNR- WT/4
101 S. Webster St.
Madison, WI 53703**

The information you provide will help us greatly. Thanks for all of your hard work to protect Wisconsin's waters!

Name Delavan Lake Sanitary District Date of Installation May 2014

Location of Access Point

Please fill out all known information.

County: Walworth

Municipality Name: Town of Delavan

Waterbody Type:

- Lake
- River
- Wetland with navigable waterway
- Other _____

Waterbody Name: Delavan Lake

Boat Landing Name: Inlet launch

Address/Closest Named Road:

400 Inlet Shore Drive

New Station needed

Follow-up Questions

Please fill in all known information.

Question 1: What type of access point was this?

- Ramp
- Carry-in
- Other

If Other, Explain: _____

Question 2: Before you installed the new AIS sign, 'Prevent the Spread...', were there other AIS signs at the access point? Circle one: Yes / **(No)**

If Yes, check all that apply:

- Yellow 'Exotic Species Advisory' sign
- Green and white 'Help.... Prevent the Spread...' sign
- Green, white and red stop sign 'Please Stop and...'
- County ordinance sign
- Lake Association sign
- Other: _____

NOTE: Once new AIS signs are installed, we ask that you please remove all other DNR AIS signs. This includes the Yellow 'Exotic Species Advisory' sign, the Green and white 'Help Prevent the Spread...' sign, and the Green, white and red stop sign.

Question 3: Did you remove any of these signs during your visit, or do you have plans to in the near future? Circle one: Yes / **(No)**

If yes, check all that apply:

- Yellow 'Exotic Species Advisory' sign
- Green and white 'Help.... Prevent the Spread' sign
- Green, white and red stop sign 'Please Stop and...'
- County ordinance sign
- Lake Association sign
- Other: _____

Question 4: Was the sign installed facing the water so people leaving the water could read it or facing the launching area so people launching could read it?

Circle one: Water / **(Land)**

Question 5: The ideal location for an AIS sign is at the access point, facing the water. However, we recognize this is not always possible. Please indicate the location that best represents where this sign is currently located (Check one):

- Next to the access point, facing water
- Next to access point, facing launch area
- On a pier or dock
- Next to or on a shelter or kiosk
- Next to the parking lot entrance or exit
- Other: _____

Question 6: Does the access point appear to be in proper working order? (Yes/ No)
If No, Explain: _____

Question 7: How many people installed the sign?
Circle one: ① / 2 / 3 / Other: _____

Question 8: How would you describe yourself (check one that best applies):

- DNR employee
- County employee
- Municipal employee
- Boat landing owner/operator
- Lake Association Member
- CBCW Volunteer
- Other: _____

Again, thank you for your efforts to protect Wisconsin Waters.
