

Wednesday, October 14, 2015
6:00 p.m.-7:30 p.m.
Wisconsin Maritime Museum
Manitowoc, WI

groundwater

Join us for a seminar on **groundwater** by Kevin Masarik,

Groundwater Education Specialist at the Center for Watershed Science and Education, UW-Stevens Point & UW-Extension.
He will be discussing groundwater and groundwater issues across the state.

- * Global to Local
- * Karst topography
- * What you can do to protect groundwater
- * Testing your well water

Don't miss the raffle :
2 rain barrels
\$5.00 per ticket. *Must be present.*
