Subject: Bone Lake Management Plan Approval Request

Dear Mr. Foster,

This letter is to notify the Bone Lake Management District that the June 2015 Bone Lake Comprehensive Management Lake Plan meets the criteria of NR 191.45 and thus the Wisconsin DNR has approved the Plan. Management activities identified in the plan are eligible for funding under Administrative Code chapters NR 190, NR 191, and NR 198 subject to the eligibility requirements of those programs.

Furthermore, the Department must certify that all proposed projects recommended in an approved plan comply with the provisions of the Wisconsin Environmental Policy Act (WEPA). This certification could involve additional public informational meetings or other environmental assessment action.

It has been a pleasure to work with you and the Bone Lake Management District and I look forward to continuing to protect and improve the Bone Lake ecosystem and watershed.

Sincerely,

A handwritten signature in black ink, appearing to read 'Alex Smith'.
