Subject: RE: Halsey Lake Assoc. paperwork

Hi Bill. I just looked at the information you sent and it looks great. The Halsey Lake Association will now be recognized as a Qualified Lake Association and will be eligible to receive grant funding through the Lake Management, AIS, River Protection and Recreational Boating Fund grant programs. I will put together a formal letter stating this and will drop it in the mail to you.

Best Regards,

Jane C. Malischke

Subject: FW: Halsey Lake Assoc. paperwork

Jane,

Good Monday Morning Jane.....per our discussion last Thursday, Halsey Lake Assoc. completed our Bylaw Amendment meeting and the vote was unanimous to change the Membership language. The Bylaws have been revised as seen in Article 4 of the attached Halsey Lake Bylaws (Articles of Association).

Will this be sufficient to be recognized as a Qualified Lake Assoc? We are completing the Grant Application for a Comprehensive Lake Mgmt Plan to be submitted to the DNR for the Feb Grant cycle. Thus the urgency of this Bylaw change!

Thanks for helping us get this straightened out!

Subject: Halsey Lake Assoc. paperwork

Hello Jane / Jim,

Attached is the form Jim suggested I fill out and send in to confirm that the Halsey Lake Assoc. is properly listed as a "qualified" Lake Association.

JANE – if you see any missed information can you let me know? We are in the process preparing an Application for DNR Funding for an Comprehensive Lake Management Plan and I want to make sure we have all the paper work done ahead of the submittal!

Hi Bill

I have attached some information that will help. Unless you have filled out form 8700-226 recently, we don't have you listed as a qualified Lake Association. This form needs to be sent to Jane Malischke in Spooner.
