

Tomahawk Power and Pulp/Kings Dam
N10099 KINGS RD
TOMAHAWK WI 54487
(715) 453-2579

To: Cheryl Laasch

This is to inform you that I have completed the visual survey of Kings Dam for purple loosestrife. I walked the entire facility once a week starting July 15th thru August 15th. I found no sign of Purple Loosestrife anywhere on the facility.

Thank you,

Dave Duranceau

Manager/operator
