Subject: Amendment to the *Dane County Water Quality Plan*, Revising the Waunakee Urban Service Area and Environmental Corridors Boundaries in the Town of Westport

Dear Mr. Mesbah:

We have completed our review of the subject amendment request that was submitted to the Department on August 14, 2014 by the Capital Area Regional Planning Commission. The Department hereby approves this amendment request which adds 40.5 acres, located on Woodland Drive, west of CTH Q, in the Town of Westport, to the Waunakee Urban Service Area. The amendment area includes 1.1 acres of existing right-of-way, 1.7 acres dedicated to stormwater facilities and proposed to be designated as environmental corridor and 37.7 acres proposed as the site of two future Waunakee Community School District Schools (See Map 1).

This amendment was requested by the Village of Waunakee, a public hearing was held on May 8, 2014, and the amendment was adopted by the Capital Area Regional Planning Commission per Resolution No. 2014-6 on May 8, 2014.

This amendment becomes a part of the Dane County Water Quality Management Plan and will be forwarded to the US Environmental Protection Agency to meet the requirements of the Clean Water Act of 1987 (Public Law 92-500 as amended by Public Law 95-217), and outlined in the federal regulations 40 CFR, Part 35.

This review is an equivalent analysis action under s. NR 150.20 (2) (a) 3, Wis. Adm. Code. By means of this review, the Department has complied with ch. NR 150, Wis. Adm. Code, and with s. 1.11, Stats.

The approval of this sewer service area amendment does not constitute approval of any other local, state, or federal permit that may be required for sewer construction or associated land development activities.

If you believe that you have a right to challenge this decision, you should know that the Wisconsin statutes and administrative rules establish time periods within which requests to review Department decisions must be filed. For judicial review of a decision pursuant to sections 227.52 and 227.53, Wis.
