Subject: Amendment to the *Dane County Water Quality Plan*, Revising the
Central Urban Service Area Boundary and Environmental Corridors
in the Mid-Town Neighborhood in the City of Madison and Town of Middleton

Dear Mr. Mesbah:

We have completed our review of the subject amendment request that was submitted to the Department on March 30, 2011 by the Capital Area Regional Planning Commission. The Department hereby approves this amendment request which adds 141.4 acres to the Central Urban Service Area, of which 28.9 acres are in the City of Madison and 112.5 acres are in the Town of Middleton. The amendment area is located on both sides of Sugar Maple Lane, south of Valley View Road, on the southwest side of the City of Madison (see Map 1 dated December 7, 2010).

The amendment area includes 40.2 acres of existing development and 17.4 acres of environmental corridors, resulting in a net developable area of 83.8 acres. The proposed amendment was requested by the City of Madison on October 19, 2010 and was adopted by the Capital Area Regional Planning Commission per Resolution CARPC No. 2011-1 on January 13, 2011.

The approval of this sewer service area amendment does not constitute approval of any other local, state, or federal permit that may be required for sewer construction or associated land development activities.
