Subject: Amendment of the *Dane County Water Quality Plan*, Revising the  
Waunakee Urban Service Area Boundary and Environmental Corridors within the  
Town of Westport (Schumacher Farm Park)

Dear Mr. King:

We have completed our review of the subject amendment request that was submitted to the Department on January 25, 2007 from the Dane County Community Analysis and Planning Division. The Department hereby approves this amendment request which adds 85.8 acres to the Waunakee Urban Service Area, including 0.5 acres of existing development, 10.8 acres of existing right-of-way, and 74.5 acres of environmental corridors. The amendment area is located north of STH 19 and east of Schumacher Road, in a Dane County parkland known as Schumacher Farm Park (see attached Map 1).

The proposed amendment was requested by both the Village of Waunakee and the Town of Westport.

The approval of this sewer service area amendment does not constitute approval of any other local, state, or federal permit that may be required for sewer construction or associated land development activities.

If you believe you have a right to challenge this decision made by the Department, you should know that Wisconsin statutes, administrative codes and case law establish time periods and requirements for reviewing Department decisions.

To seek judicial review of the Department's decision, sections 227.52 and 227.53, Stats., establish criteria for filing a petition for judicial review. Such a petition shall be filed with the appropriate circuit court and shall be served on the Department. The petition shall name the Department of Natural Resources as the respondent.

To request a contested case hearing pursuant to section 227.42, Stats., and ch. NR 2, Wis. Adm. Code, you have 30 days after the decision is mailed, or otherwise served by the Department, to serve a petition for hearing on the Secretary of the Department of Natural Resources. The filing of a request for a contested case hearing is not a prerequisite for judicial review.

Sincerely,

Todd L. Ambs, Administrator  
Division of Water
