SUBJECT: Central Urban Service Area (CUSA) Amendment, Blackhawk Neighborhood

Dear Mr. Lane:

The Department of Natural Resources has completed the review of, and approves, the amendment to the Dane County Water Quality Plan revising the CUSA and environmental corridors in the Blackhawk Neighborhood, City of Middleton, and Town of Middleton (S1/2, SW ¼ Sec. 21, T&N – R8E). See attached maps. The amendment adds 80.9 acres to the CUSA, including 2.0 acres of existing development, and 2.6 acres of environmental corridor. The proposed area, planned for residential development, is located north of Old Sauk Road and south of Black Hawk Road. About 63 acres are located in Madison and about 18 acres are located in the Town of Middleton.

The approval of this amended sewer service area plan does not constitute approval of any of the following:

- private sewage systems pursuant to Chapter COM 83 (WI Admin. Code)
- sewer extension pursuant to Chapter NR 110 (WI Admin. Code)
- authority to alter the bed or banks of any navigable waterway (Chapter 30, WI Stats.)
- certification for any wetland alteration (Section 401, Federal Water Pollution Control Act, and NR 103, 299, WI Admin. Code)
- takings of threatened and endangered resources pursuant to Wisconsin Statutes 29.415.

Those approvals must be obtained separately from the respective agencies. In addition, stormwater management plan development is required for any construction site activity disturbing five or more acres of land pursuant to Chapter NR 216 (Wis. Admin. Code).

Any person aggrieved by this approval has the right to appeal the decision. Wisconsin Statutes and Administrative Code establish time periods within which requests to review Department decisions must be filed. For judicial review of a decision pursuant to s. 227.52

and 227.53, Wisconsin Statutes, a petition for review must be filed within 30 days after service of the decision. The respondent in an action for judicial review is the Department of Natural Resources.

This notice is provided pursuant to s. 227.48(20), Wisconsin Statutes.

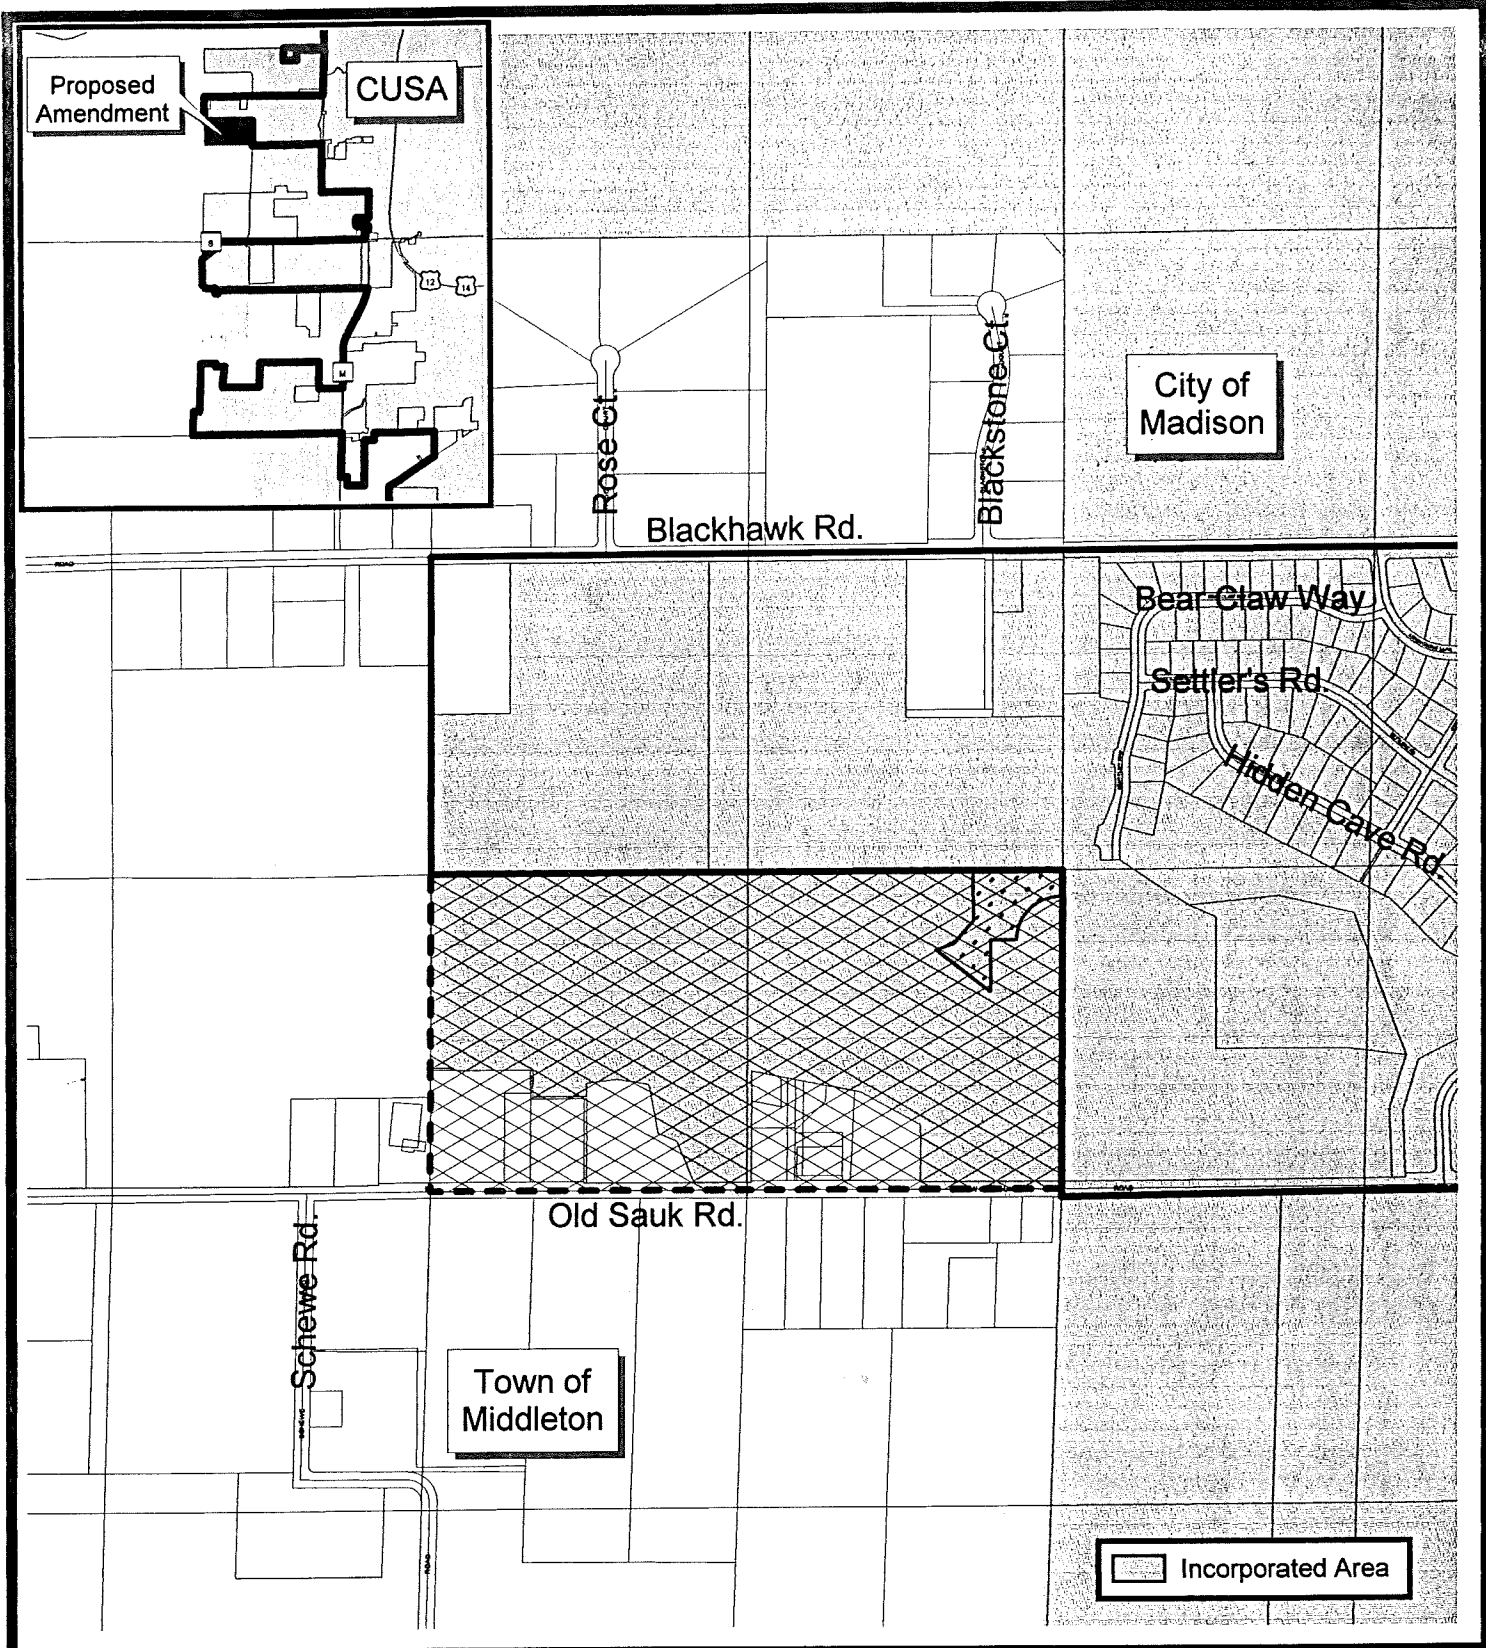

Sincerely,

Charles R. Ledin, Section Chief
Great Lakes & Watershed Planning
Bureau of Watershed Management
