

Boat Landing Sign Survey

Our goal is to have new aquatic invasive species (AIS) signs on every public boat landing in the state of Wisconsin. In order to meet this goal, we need to determine which boat landings have received the new AIS signs and which boat landings we still need to visit.

Please fill out a separate survey for each Wisconsin DNR AIS sign that you install at an access point. This survey information can be uploaded to SWIMs or mail to:

AIS Education Specialist
Wisconsin DNR- WT/3
101 S. Webster St.
Madison, WI 53703

The information you provide will help us greatly. Thanks for all of your hard work to protect Wisconsin's waters!

Location of Access Point

Please fill out all known information.

County: Waukesha

Municipality Name: City of Muskego

Waterbody Type:

- Lake
- River
- Wetland with navigable waterway
- Other _____

Waterbody Name: Lake Kenosha

Boat Landing Name: Kenosha Park Boat Launch

Address/Closest Named Road:

2216 S10798 Crowbar Road

Muskego, WI 53150

Follow-up Questions

Please fill in all known information.

Question 1: What type of access point was this?

- Ramp
- Carry-in
- Other

If Other, Explain: _____

Question 2: Before you installed the new AIS sign, 'Prevent the Spread...', were there other AIS signs at the access point? Circle one: Yes / No

If Yes, check all that apply:

- Yellow 'Exotic Species Advisory' sign
- Green and white 'Help.... Prevent the Spread...' sign
- Green, white and red stop sign 'Please Stop and...'
- County ordinance sign
- Lake Association sign
- Other: _____

Question 3: Did you remove any of these signs during your visit, or do you have plans to in the near future? Circle one: Yes / No

If yes, check all that apply:

- Yellow 'Exotic Species Advisory' sign
- Green and white 'Help.... Prevent the Spread' sign
- Green, white and red stop sign 'Please Stop and...'
- County ordinance sign
- Lake Association sign
- Other: _____

Question 4: When installing the sign, were you able to reuse the post from previous DNR signs? Circle one: Yes / No

Question 5: Was this waterbody known to contain invasive species?

Circle one: Yes / No / Unsure

If yes, was the red sticker "This Waterbody Is Known to Contain Invasive Species" applied to the bottom of the sign.

Circle one: Yes / No

Question 6: Was the sign installed facing the water so people leaving the water could read it or facing the launching area so people launching could read it?

Circle one: Leaving / Launching

Question 7: The ideal location for an AIS sign is at the access point, facing the water. However, we recognize this is not always possible. Please indicate the location that best represents where this sign is currently located (Check one):

- Next to the access point, facing water
- Next to access point, facing launch area
- On a pier or dock
- Next to or on a shelter or kiosk
- Next to the parking lot entrance or exit
- Other: *Next to the access point facing away from the water, perpendicular to the access point. Viewable when entering the launch area.*

Question 8: Does the access point appear to be in proper working order? Yes / No
If No, Explain: _____

Question 9: How many people assisted in the sign installation?
Circle one: 1 / 2 / 3 / Other: _____

Question 10: How would you describe yourself (check one that best applies):

- DNR employee
- County employee
- Municipal employee
- Boat landing owner/operator
- Lake Association Member
- CBCW Volunteer
- Other: *Lake District Commissioner*

Again, thank you for your efforts to protect Wisconsin Waters.
