14			X		X		X	NO	NO
15		X			X		X	NO	NO
16			X		X		X	NO	NO

Comments:
 100 % of Lake Butte des Morts Shoreline Surveyed - all sites located from boat - areas not visible from water may contain more plants than noted or additional sites not recorded.

? means that survey crew was not able to get close enough with boat to physically check leaves for damage or beetles.

All noted sites are GPS recorded and will become release sites by BDMCC in 2004
