SUBJECT: MISSING FINAL REPORT – Urban Nonpoint Source [Pollution] and Storm Water Management (UNPS&SW)- Planning Grant Number USP-MI02-41000-03 For the Milwaukee County Streambank Inventory

Dear Ms. Thompson:

Enclosed is Milwaukee County's *Replacement for Urban Storm Water-Planning Final Report* for the above named project.

The grant was for technical assistance in assessing stream banks and channels within Milwaukee County for stability and erosion potential. As such, the questions detailed on the replacement for the final report are all not applicable.

If you have any questions regarding this please contact me at (414) 278-2988.

Sincerely,

Tim Detzer  
Environmental Engineer
