- ◆ Water is a key resource for everyone, especially coastal areas like Kewaunee County.
- ◆ Water feeds and nourishes us, and gives us opportunities for recreation.
- ◆ For many of us, it is the source of our livelihoods.
- ◆ Can we sustain the quality and quantity of our water?

We invite you to join us:

Sustaining Our Water ~ Our Health, Our Livelihoods

Saturday, April 26th, 2008

8:30am to 1:30pm

Algoma Farm Market Kitchen

520 Parkway Street, Algoma Wisconsin

**Featuring Racine Mayor Gary Becker and
Jay Moynihan, UWEX Shawano County**

Find out about the Great Lakes Compact, agriculture and water quality, surface and groundwater, and the state of the fishery through a series of interactive lectures.

*Citizens, government officials, business professionals, community leaders, and anyone who has an interest in **sustaining the future of our waters** should attend this important event!*

Sustaining Our Water ~ Our Health, Our Livelihoods
