

## CRUISES/FERRY

The Apostle Islands Cruise Service provides narrated cruises and lighthouse tours throughout the Apostle Islands National Lakeshore. The Cruise Service, located in Bayfield, also provides camper shuttles and island access for private groups. [www.apostleisland.com](http://www.apostleisland.com) • (715) 779-3925

The Madeline Island Ferry Line makes several trips a day to Madeline, the largest of the Apostle Islands. Walk, bike or drive aboard for a scenic 20 minute ride from Bayfield. [www.madferry.com](http://www.madferry.com) • (715) 747-2051

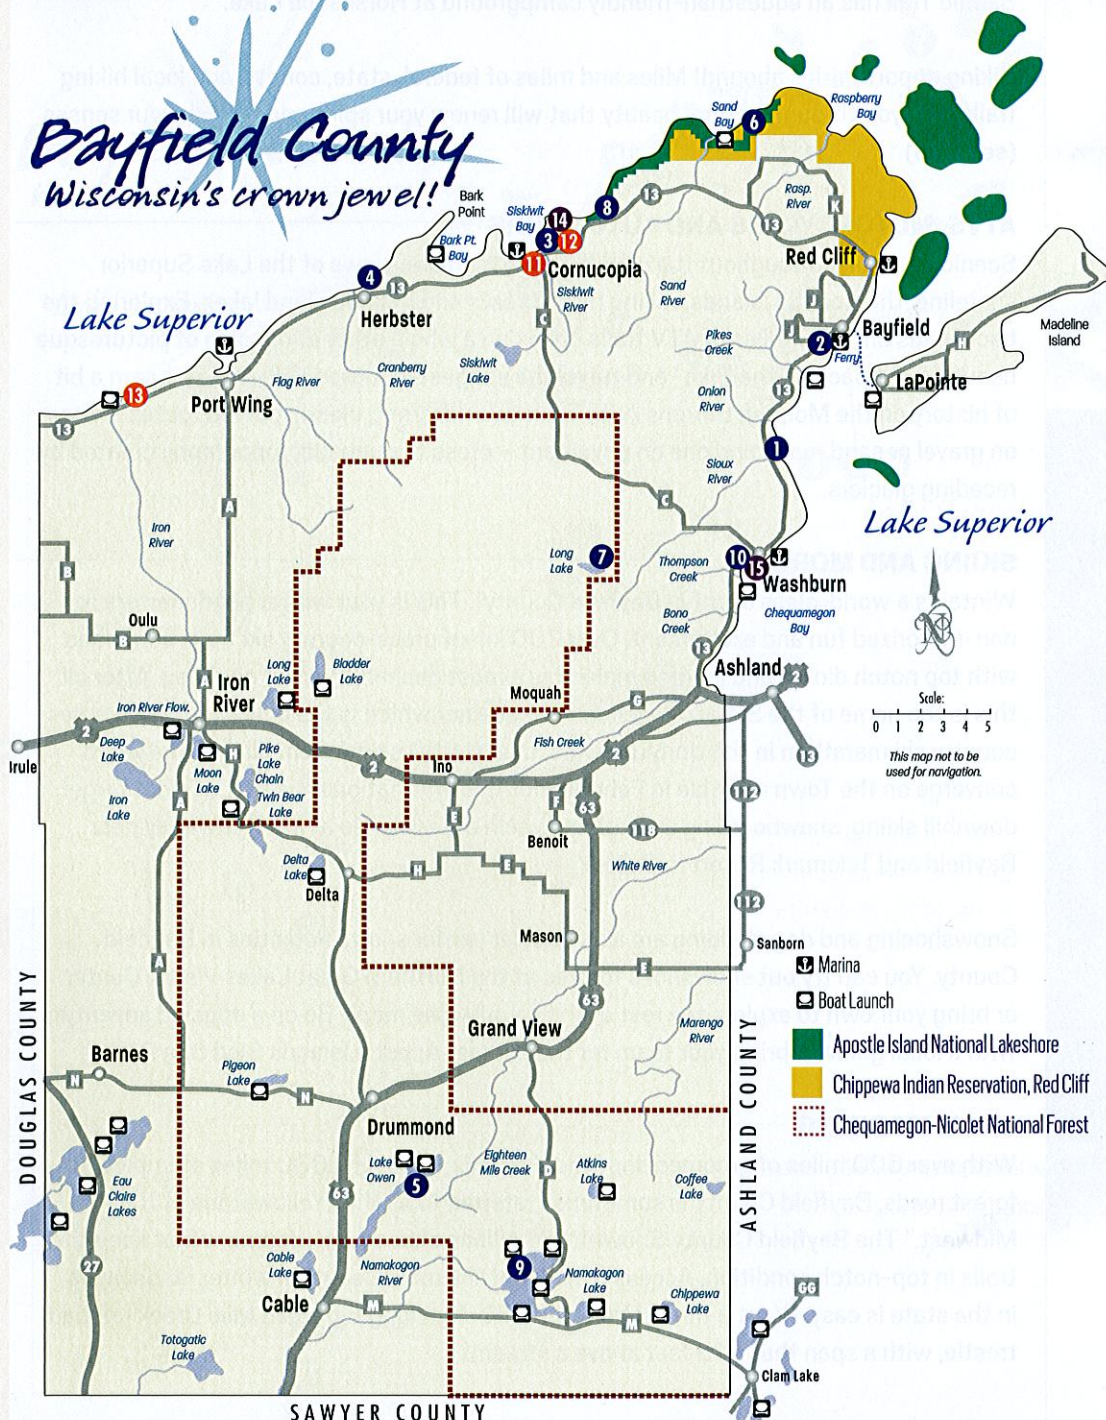

## MAINLAND SEA CAVES

Gigantic sandstone caves by summer are transformed into sparkling, magnificent ice formations in winter. Visitors to the caves should call for updated ice conditions before venturing out. The mainland caves can be accessed from Meyers Beach, east of Cornucopia. [www.nps.gov/apis/naturescience/caves.htm](http://www.nps.gov/apis/naturescience/caves.htm) • (715) 779-3397
