5. Additional Information. (Space will expand to fit your text.)

Preparing an updated SLAMM for the Villages of Rothschild and Kronenwetter provided confirmation of compliance with the 2008 20% reduction in TSS and a plan to become compliant with the 40% reduction TSS for 2013.

6. Summary of Project Challenges. (Space will expand to fit your text.)

No political support for implementing a new storm water utility. Coordinating SLAMM results for multiple government organizations - Village and County. Preparing SLAMM results for WDNR and Village goals so one can become regulated.

7. Grantee Certification.

Checking here certifies that, to the best of your knowledge, the information contained in this report is correct.
